DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is an old Federal townhouse of brick and 2-1/2 stories in height and is detached on the right side. It is three bays wide and three longer bays in depth with a two story brick "L" shaped wing one bay square, a two story brick extension three bays long and two bays wide and a 1-1/2 story brick dependency extension 1/2 bay wide and two bays long with diamond shaped louvers in the walls. The front brickwork is in unpainted Flemish bond and all other is in common bond. The front entranceway occupies the left bay with double doors of glass over panels, a paneled enframing and a four pane overlight. There is a well worn stone doorsill. This entrance is framed by a newer Georgian framing with Doric pilasters and a broken pediment surmounted by an urn. It is approached by a three step cement porch with wrought iron railings. To the right is a very large two bay wide, small paned window with a wide, similar design, broken pediment, and a moulded sill. Second story front windows are of 6/6 sash with flat brick arches and louvered shutters as are all those on the rear and wing (a mark of quality). On the rear are six panel doors with three pane overlights. The 'dependency' has a board and batten door. The wing 'attic' is lighted by a small 2/2 sash in the end. The front section has a moderate slope "A" frame roof resting on three string brick cornices, both front and rear. A double flue enclosed chimney rises from either side of the right gable. This attic is well lighted with two peaked 6/6 sash dormers on the front and one on the rear. The wings have shed roofs with a two string brick cornice on one and a large enclosed chimney on the end. All roofing is with slate shingles. The building rests on a 10 fieldstone foundation. There is a brick patio in a herringbone design covered by a grape arbor around the wing areas.

SPECIFIC DATESBUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This attractive Federal townhouse with its new, but compatible, door and window treatment makes a good neighbor for the old Carty house at #54 and the old stone house next door. Together they add much character to this neighborhood.
